

**NEW**

# Revolift

After years of experience with our top-quality Neolift permanent lifting magnets, Walmag is coming up with a new product for everyday steel handling. We spent many years to create a completely new concept of a future permanent lifting magnet.

We now present you the Revolift!

Load test feature

Top handle position

Better ergonomoy

Dustproof

Simple safety tags

Integrated NFC chip

Online manual

Scratch resistant tags

Catalog number	W (mm)	L (mm)	H (mm)	Ø of the lug (mm)	Weight (kg)	Workload limit flat materials (kg)	Workload limit round materials (kg)	Ø min/max (mm)
REVO150	60	97	123	10	3,1	150	65	50/95
